free-com

Senior Consultant
webMethods Integration Platform

free-com solutions has been a successful, internationally operating software company based in Vienna for over 20 years.

We are looking for webMethods Integration Platform Senior Consultants to join our team at the earliest date possible.

We are looking for:

- Full-time or part-time
- All genders welcome
- Independent, responsible way of working
- Project and (self-)organisation skills
- Good knowledge of English
- Knowledge of German is an advantage
- Willingness to take part in additional, advanced training
- 3-5 years of professional experience in the relevant field desirable but not required

What defines us:

- Ambitious, professional team
- Flat hierarchies
- Frequent team events (barbecues, archery, business runns, etc.)
- Home office possible
- Central location (1040 Vienna) with good transport connections
- Low-cost canteen with daily fresh salads, lunch and desert
- Training academy
- Performance-based remuneration

Your tasks:

- Consultant for the webMethods Integration Platform (Product by Software AG)
- Development of B2B integrations in an international environment (EDI, XML, AS2, signatures...)
- Modern microservice architecture
- Independent and team-orientated work in international projects

Salary:

The target annual salary is based on the *collective agreement for employees of companies providing services in automated data processing and information technology*. We are willing to offer overpayment; the market-compliant salary will be determined based on qualifications, experience, and the agreed weekly working hours.

Are you interested? Then we look forward to receiving your detailed application!
